

Welcome to year 3

Staff

- Miss Adam
Class Teacher

Mrs North
SEN TA

STAFF INVOLVED IN Y3

Mrs Park teaches every Tuesday afternoon, she teaches Art

Mrs Inman teaches Spanish for 1 hour on a Monday.

Class routines

Reading books

Children need to bring their school reading book in every day.

Reading books are changed as and when children finish them.

To monitor children's reading we use a website called 'Boom Reader' as an online school reading record.

PE

PE is done every Wednesday and Friday with Miss Adam.

Homework

Homework is set every Friday on LBQ. Your child will have access to LBQ using the QR code sent home.

Named items of clothes

- Please can you ensure that All PE kits, coats, jumpers etc. are named as we have already had a few lost items and we cannot return them to the children because we do not know who they belong to.
- Although we will help when they have lost something if we can the children need to understand that it is their responsibility to keep their belongings with them and not ours.

English

- We have just started reading 'Fantastic Mr. Fox' by Roald Dahl as our class novel and our next class novel for this term is 'The Hodgeheg' by Dick King-Smith.
- In Year 3 it is especially important that you encourage your child to rehearse sentences before they write them down and to read through what they have written.
- I have been very impressed by the children's writing. They are enjoying our English lessons and the topics we have covered so far. We have been focusing on using dictionaries, thesauruses, grammar and punctuation. The children have been looking at poetry and have written their own verse for a Winter poem.
- This term we will be looking at fiction and non-fiction book studies including writing texts for Black History Month.

Reading has such a huge impact on many aspects of a child's development and greatly assists them in their writing. The children love being read to and we would kindly ask that you read to and with your child as well as giving them the time to read independently.

Maths

- You can assist by:
 - ❖ Helping your child to learn their times tables it will really help them as we move onto multiplication, division and fractions towards the end of the Autumn term, they each have a Sumdog log in to support them with this.
 - ❖ Ensuring your child knows how to tell the time, using an analogue clock not just digital.
 - ❖ Letting them handle small amounts of money so they know what the coins are, even guessing how much change you may receive or how much the total will be for small shops.
 - ❖ Baking and cooking are fabulous ways to help children out with measurements such as grams and litres.

2 times table $1 \times 2 = 2$ $2 \times 2 = 4$ $3 \times 2 = 6$ $4 \times 2 = 8$ $5 \times 2 = 10$ $6 \times 2 = 12$ $7 \times 2 = 14$ $8 \times 2 = 16$ $9 \times 2 = 18$ $10 \times 2 = 20$ $11 \times 2 = 22$ $12 \times 2 = 24$	3 times table $1 \times 3 = 3$ $2 \times 3 = 6$ $3 \times 3 = 9$ $4 \times 3 = 12$ $5 \times 3 = 15$ $6 \times 3 = 18$ $7 \times 3 = 21$ $8 \times 3 = 24$ $9 \times 3 = 27$ $10 \times 3 = 30$ $11 \times 3 = 33$ $12 \times 3 = 36$	4 times table $1 \times 4 = 4$ $2 \times 4 = 8$ $3 \times 4 = 12$ $4 \times 4 = 16$ $5 \times 4 = 20$ $6 \times 4 = 24$ $7 \times 4 = 28$ $8 \times 4 = 32$ $9 \times 4 = 36$ $10 \times 4 = 40$ $11 \times 4 = 44$ $12 \times 4 = 48$
6 times table $1 \times 6 = 6$ $2 \times 6 = 12$ $3 \times 6 = 18$ $4 \times 6 = 24$ $5 \times 6 = 30$ $6 \times 6 = 36$ $7 \times 6 = 42$ $8 \times 6 = 48$ $9 \times 6 = 54$ $10 \times 6 = 60$ $11 \times 6 = 66$ $12 \times 6 = 72$	8 times table $1 \times 8 = 8$ $2 \times 8 = 16$ $3 \times 8 = 24$ $4 \times 8 = 32$ $5 \times 8 = 40$ $6 \times 8 = 48$ $7 \times 8 = 56$ $8 \times 8 = 64$ $9 \times 8 = 72$ $10 \times 8 = 80$ $11 \times 8 = 88$ $12 \times 8 = 96$	10 times table $1 \times 10 = 10$ $2 \times 10 = 20$ $3 \times 10 = 30$ $4 \times 10 = 40$ $5 \times 10 = 50$ $6 \times 10 = 60$ $7 \times 10 = 70$ $8 \times 10 = 80$ $9 \times 10 = 90$ $10 \times 10 = 100$ $11 \times 10 = 110$ $12 \times 10 = 120$

Plants

Rocks and Fossils

Behaviour

- As you know we have introduced the traffic light system. We are using this as a positive reward system to celebrate and reward the children who are always getting it right and this is linked team point system that we have in place.
- Like most classes we also have class points. This is where the children collect points when they ALL get it right and when we reach 100, we will have a class treat which might consist of a film afternoon or extra time outside or wearing non-uniform for the day, I usually let the children decide!
- Children can also earn Head teachers awards, hot chocolate with Mr Harding and star of the week for going above and beyond.
- We also try and encourage a growth mind set to help children persevere and get the most from mistakes.

School Values

Ipads

- When children receive their iPads, please ensure your child's iPad comes to school everyday fully charged as we don't have the capacity to charge them all in school and they will be needed during lessons.

Thank you for your
support
