

Welcome to Year 5

Staff

Mrs Simm

Mrs Horrocks

Miss Burton

Mrs Eccles

Autumn Term

It is going to be great!

Geography – Features of the UK

History – World War 2

Science – Human life cycle and space

Art – Drawings conveying emotion and movement by Charlie Mackesy

English – Narrative writing, non-chronological reports, information texts, poetry.

Maths – Place value, calculations, fractions.

Routines

Come into school **quietly** and **quickly** hang up your belongings. Bring into class your ipad, reading book and record and your water bottle.

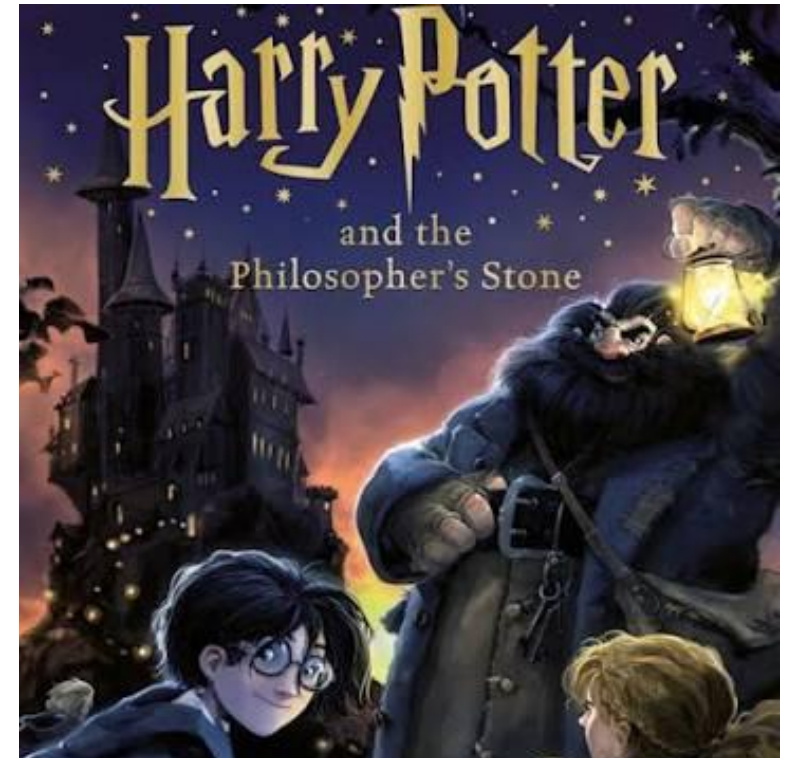

When you come in there will be an **LBO** code on the board. You must sit down and get straight on with the work.

After break times and assembly you must come back into class and sit down quickly and quietly, ready to work. Always **check the board** to see if there is a task to do.

After lunch you are to **read your own reading book**.

Water bottles must be **filled up during break and lunch**, not at the start of a lesson. Same with going to the **toilet**.

Getting these right will earn you lots of class points.

Homework

We are trying something new this year for homework.

You will be using a QR code to log into Learn by Questions for Independent study. This means I can make sure the homework is suitable for the individual not just the class.

Quick reminder

- Once you are outside at break times you must ask the person on duty if you need to come in.
- You always **walk** round school and use a **quiet voice** in the corridors.
- Do not tell me you have a bit of dry skin on your finger in worship.
- If you do something wrong, **own up to it**. We all make mistakes but the important thing is putting them right not trying to cover them up.
- **Try your best**. If you find something hard, we will help you but we won't do it for you, you have to put the effort in. There is a lot of patience in this room!

Traffic Lights

- We will be fair but consistent. Make sure you follow the rules and you will stay on green!
- Amber gives you the chance to put your mistake right, use it as a warning rather than a worry.
- If you go on red, we will speak to whoever picks you up. Remember, you will go straight on red if you deliberately hurt someone else. You **should not be getting on red**.

Rewards

As well as class points, team points, stickers, notes home, mini prizes etc, this year we will be having, '**Best Seats in the House.**'

Every day a member of staff will select one child who has let their **light shine all day**. A person who has tried their best, followed the rules and generally been a nice person. That person then gets to sit on a comfy cushion and one lot of cordial in the morning for your water bottle.
