

Learning Challenge

Year 3

Are you attractive enough?

Science

We will be looking at magnets and investigating materials that are magnetic. In our investigation work, we will be finding out about forces.

English

We will be looking at the story 'The Iron Man' and using some of our science knowledge in the stories that we write.

Maths

We will be measuring distances in our science investigations.

Computing

We will be designing an advert to advertise our new magnetic games using the iPad

Art and Design

We will be designing and making a game using magnetic materials. We will also be looking at different types of games that use magnetic materials to work.

Geography

What is a magnet and what is its relationship with the North Pole?

Summer Term 1 2016

National Curriculum Key Skill

- Communication
- Computing
- Working with others
- Improving own learning/performance
- Problem-solving

Thinking Skills

- Information-processing skills
- Reasoning
- Creative thinking
- Evaluation

Questioning Skill

- Knowledge
- Comprehension
- Application
- Synthesis
- Evaluation

Resources / Visits / Speakers

We will be linking up with the Year 3 class at St Paul's CE Primary School.
