

Cross-Curricular Plan

Year 6

Theme: I'm a year 6 pupil, can you get me out of here?

Geography

We will be focusing mainly on maps and mapping. We will go from a map of the world to an ordnance survey of Bolton. We will focus on the features of our local area and how long it would take us to travel to different countries.

Art

Sketching will be the order of this half term. We will look at paintings of different landscapes and use a variety of medium to create our own.

Computing

No one has to travel as far as Father Christmas so this year we will be helping him. We will use spreadsheets to create a list of what he needs, a spending plan and budget, which links nicely to our PSHE knowledge on Financial Awareness.

National Curriculum Key Skills

- Communication
- ICT research
- Working with others
- Problem Solving

Thinking Skills

- Information
- Reasoning
- Enquiry
- Creative Thinking
- Evaluation

Questioning Skills
