

Summer 1 2015/2016

Learning Challenge

Year 6

Theme: How can you light up your life?

Science

We will be combining our previous topic on circuits to this current topic on light. We will be focusing on all elements of circuits and how they work and then how this links to light. In addition to this we will look at how light enters our eyes in order to see and the colour spectrum.

Art

We will be looking at how to use colours for particular effects.

Computing

We will be looking at Google Sketch and Purple Mash to create our own games and scenes.

National Curriculum Key Skill

- Communication
- ICT research
- Working with others
- Problem Solving

Thinking Skills

- Information
- Reasoning
- Enquiry
- Creative Thinking
- Evaluation

Questioning Skill

- Knowledge
- Analysis
- Synthesis
- Evaluation

Resources / Visits / Speakers

- Art materials
- Photographs
- Books
- Videos
- CDs & DVDs
