

## Curriculum Map

Year 3

Spring Term 2019

<b>Subject</b>	
<b>English</b>	We will be writing our own version of an African traditional tale. We will also be developing our drama skills to perform a show, Rock Bottom, with Year 4 just before Easter.
<b>Maths</b>	We will be learning about money, multiplication, division, fractions and measures. We will continue to learn our times tables.
<b>Science</b>	To compare and group rocks based on their physical properties. To know how fossils are formed.
<b>Computing</b>	To use the computer to process a poem for display and create an information page about volcanoes or earthquakes. We will also be using the Probots to develop the use of instructions. We will be using 2code to learn about computer coding.
<b>RE</b>	We will be learning about the meaning of the Easter story.
<b>History</b>	To research volcanic eruptions from around the world.
<b>Geography</b>	To learn about how a volcano erupts and what can cause an earthquake to happen. We will be looking at how a volcano is formed and at different types of volcanoes.
<b>Art/DT</b>	To create a fossil using different materials. To use different art techniques to paint a volcano. To sketch a volcano in the style of Andy Warhol.
<b>PE</b>	We will be learning how to play cricket.
<b>Music</b>	Glockenspiel Stage 2. We will also be learning songs for our Y3/Y4 Show.
<b>PSHE</b>	Our topic is about valuing differences in people and looking at body image.
