

Curriculum Map

Year 3

Summer Term 1 2019

Subject	
English	To learn how to write a short News Report. To create a short News program in a group using the iPads. To start to rehearse for our show 'Rock Bottom'.
Maths	We will be learning to: find a fraction of a number; to tell the time; to count amounts of money; to calculate using short methods for all 4 operations; to find the double and half of numbers; to know the target times tables and related division facts.
Science	To investigate the properties of rocks. To investigate forces and friction when objects move. To learn about different types of magnets and how they can be used in everyday life.
Computing	To continue learning how to code. To use the iPads to make and record a news programme for others to watch.
RE	Called by God. The aim of this unit is to: <ul style="list-style-type: none"> • give children an opportunity to consider what it means to be called by God and the responses people have made to that call.
History	To find out about the Mayans and their way of life.
Geography	To find out about Earthquakes and the Richter Scale. To look at where the Mayans lived on a world map.
Art and Design	To design and make a game using magnetic materials.
PE	To work on football skills.
Music	To learn songs for our show 'Rock Bottom'.
PSHE	To link with the children in Y3 at St Paul's CE Primary School. To learn about what makes a good friend and what types of games can be played on the playground.
